PROFILE

I am a dedicated and enthusiastic person with a strong interest in technology and creativity. I enjoy learning new things, solving problems, and taking on challenges. I can work well on my own or with a team, and I'm always eager to grow and improve. My goal is to build a successful career where I can contribute and keep learning every day.

## WORK EXPERIENCE

Deviant Studio   AUGUST 25 - OCTOBER 25
Web Developer Intern

- Led the development of a full-fledged Patient-Doctor Management Website alongside a fellow intern, taking primary responsibility for the project's implementation.
- Designed and developed the website's front-end and back-end structure to manage patients, doctors, and appointments efficiently.
- Collaborated in planning and organizing tasks, ensuring smooth teamwork and timely progress throughout the project.
- Also Collaborated with and supported the web development team, contributing ideas and helping create a productive and creative work environment.
